Twilight seminar: Perspectives on masculinity and men’s health

Thursday 18 November 4–6 pm

Venue
Deakin University Clinical School
Enter via Kitchener House
(directly opposite Emergency Department – Geelong Hospital)
Ryrie Street, Geelong

Chair
Paul Tobias (Principal, St Joseph's College, Geelong)

Presenters
Professor Bob Pease, Deakin University – presenting on theoretical frameworks that inform men's health, issues facing men who are marginalised by class, race, sexuality and rurality, and the health costs of men's privilege.

Dr Anita Peerson, Deakin University – presenting on implications of men's health literacy in everyday life, for health services and navigating the health system.

Peter Kelly, Barwon Health – presenting on challenges of engaging men in health and wellbeing activities and services.
